

Celebration

January 2019

A monthly publication of the Chatfield United Methodist Church
www.chatfieldumc.org

Every four years, a clergy person in the MN Annual Conference has the opportunity to take an extended study leave from the church ministry. Monies are provided from the Conference to help pay for some of the costs of this study leave. As I did with the Oaxaca trip four years ago, which I think you will agree was good for all of us, I will be taking some time away in January to learn something new.

This time I am doing it on a cruise ship in the middle of the western Caribbean. I'll be studying with The Rev. Dr. Wil Gafney and about 60 other clergy women from around the world. We will be discussing together the ways we can read scripture from the vantage point of women of color and those whose stories are often unheard and unappreciated. I think it will be an experience that will challenge, enlighten, and delight me. If you are interested in my schedule it is posted outside the office.

I will also be doing some relaxing, eating, swimming, snorkeling and birding!!! I will be participating in a snorkeling adventure led by a woman in Isla Roatan, an island off the coast of Honduras, who will also feed us a locally prepared meal.

Curiously, while a cruise ship sounds like a luxurious way to 'go', it is actually cheaper than booking a similar seminar on land! Someone has said that it is actually a cheaper way to do senior adult care than a care center...So, from January 4-15, I will be away from the January weather basking in sun and sea and learning deeply of new ways of exploring scripture and human history. I hope to bring back some great insights and a renewed sense of scriptural focus as we enter into a new time of ministry together.

While I am away, Rev's. Heather Klausen and David Stoeger will be the on-call pastors; if a need arises for something other than visits or prayer. I know that you all are very good at visiting the sick and elderly and praying for each other. They will be available for funerals or life-threatening concerns. Their numbers are posted in the office.

During the Sundays in January we will be exploring at a video series during worship: Rev. Adam Hamilton's "Seeing Gray in a World of Black and White" will be part of the worship services in place of the sermon. Each week a new video will be shown and discussion questions will be in the bulletin for you to ponder on your own or in a group. Here is some information about the video series:

Everyone agrees that America is polarized, with ever-hardening positions held by people less and less willing to listen to one another. No one agrees on what to do about it.

One solution that hasn't yet been tried, says Adam Hamilton, is for thinking persons of faith to model for the rest of the country a richer, more thoughtful conversation on the political, moral, and religious issues that divide us. Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking, seeking instead the truth that resides on all sides of the issues, and offering a faithful and compassionate way forward.

He writes, "I don't expect you to agree with everything I've written. I expect that in the future even I won't agree with everything I've written here. The point is not to get you to agree with me, but to encourage you to think about what you believe. In the end, I will be inviting those of you who find this book resonates with what you feel is true, to join the movement to pursue a middle way between the left and the right - to make your voices heard - and to model for our nation and for the church, how we can listen, learn, see truth as multi-sided, and love those with whom we disagree."

Please come to worship with an open heart to hear what Spirit might have to say to you. I look forward to sharing these insights with you all during January.

Hope and Peace, Pastor Debra

LIVING THE SEASONS AT HOME

January 6, 2019

Mark 12:28-34 “To love God with all your heart, with all your understanding and strength, and to love your neighbor as yourself—this is far more important than any burnt offering or sacrifice.”

Something to think about, talk about or do

How did Jesus outline the two elements of his Kingdom message—personal salvation and responsibility to others? Which do you focus on in your own life? How could you do both?

Prayer: *God, help me find the extraordinary ways of following you.*

January 13, 2019

1 Peter 2:11-12, 16-17 “Dear friends, I urge you, as strangers and aliens in this world, to abstain from sinful passions which attack the soul.”

Something to think about, talk about or do What do these verses say about the role that Christians are to have in the world? Does this make a difference in the way you are living your life? Prayerfully consider what changes God may be calling you to make.

Prayer: *What changes God, are you asking me to make?*

January 20, 2019

Luke 10:25-37 “You must love the Most High God with all your heart, with all your soul, with all your strength and with all your mind, and your neighbor as yourself.” Jesus said, “You have answered correctly. Do this and you’ll live.”

Something to think about, talk about or do In what ways are your decisions guided by the ethic of love? Are there any areas where this ethic raises difficult questions for you? Pray about these now and listen for God’s reply.

Prayer: *Make me an instrument of your Love, O God. Amen*

January 27, 2019

Matthew 18:1-5 “Who is the greatest in the kingdom of heaven?”

Something to think about, talk about or do

Love and Trust are defining characteristics of a spiritually mature life. In what way are children spiritually mature? In what way do we have to grow in order to be spiritually mature?

Prayer: *In what ways should I be growing and maturing into my full being as a disciple of Jesus Christ?*

Saints for All Occasions explores the fascinating, funny, and sometimes achingly sad ways a secret at the heart of one family both breaks them and binds them together.

Eleanor Oliphant Is Completely Fine by Gail Honeyman

Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy.

May TBD

H is for Hawk by Helen Macdonald

When naturalist and falconer Helen Macdonald lost her beloved father, she "thought her world was ending. In *H is for Hawk*, you will meet Mabel, not your typical bloodthirsty specimen, as she is trained to hunt like the goshawks of yore. It is this brash, slightly mad undertaking that wrenches Macdonald free from despair, and brings her to a place where she can begin again.

Giving Opportunities

Roaster Insert Pans

Do you have a rectangle shaped roaster pan or roaster pan insert that is not being used? You may donate them to the church for use during Western Days and other food events.

Medical Equipment

The Medical Equipment Loan closet is used constantly. Please bring your gently used equipment to the church. Others will be grateful.

Noisy Offering

Pocket change is collected on the first Sunday of every month by the children. This collection supports missions.

Report from the Chatfield Christmas Project

In total, 38 families were served. 101 children received gifts. Besides the children's gifts, families were also given non-perishable food items, personal care, toiletries, laundry supplies, and a certificate for a ham or turkey from the food shelf.

They were also informed about the regular hours of the food shelf.

Thank you, Jennifer Lange-Collett for your passion for serving the community in this way.

From Pastor Debra, I am sharing with you all the Advent letter we sent out this year.

Our church did new photo directories and this was one of our photos. I think they did a good job of showing our joy at being together and where we are at.

Our place offers us so many opportunities to do those things God calls all of us to do: serve God and neighbor.

Steve continues to keep the food shelf going strong. Debra continues to write grants and provide leadership to support all the ministries of the church

This year, one of our ministries involved renovating a space at the Community Art Center in Chatfield that will be used for art classes. The youth and some adults took a room that was a dirty ragged space and turned into a beautiful, bright, studio in which art has already been created! The group of youth who helped with

the project are amazing people. They have become very active in the church and community. Debra was privileged to work with some of them on the summer musical. Once again, she costumed a large and complicated production, this time Chitty Chitty Bang Bang. The car took center stage, but 125+ costumes helped to bring the story to life. Debra loves to see the way the costumes transform people into characters, into actors. Getting the littlest children in their puppy costumes was so much fun!

Once all the summer activities were completed, VBS for over 100, the service project, the play and Western Days (100+ pies and sandwiches fed to the community), we took a much-needed vacation.

We introduced Kathlyn's husband, Doug, to tent camping in New Salem State Park in Illinois. It was HOT and HUMID and we struggled with some massive wind and rain storms. The fact that Doug still wants to tent camp is testament to his love of Kathlyn and his adventurous spirit. And maybe the good food. The peaches were ripe in Illinois. You have to go to Illinois when the peaches are ripe!

A very special event this year was the day Matty Strickler was ordained to the ministry in the American Baptist Church! Ordination is a life long process of discernment, study, preparation, and willingness to serve God. We are proud of his tenacity and achievement. He continues as a hospice chaplain for Mayo in Wisconsin.

Josh and the kids are doing all the things teens and tweens do; sports, music and dance. They are in Monticello and we love when they are able to be us for a special occasion.

In the midst of all of this, we welcomed Amia, the kitty, who came to us by way of a friend who needed to downsize her menagerie. Chester, the dog, much to Amia's dismay, was with us for two months while Julianne and family relocated to Northfield. When Julianne and the kids moved to Northfield, Amia was relieved to have her territory back to herself.

Julianne is now the orchestra director for the Faribault school district. She found a lovely home in Northfield and the children seemed settled in their new schools. They have gained three more step-brothers in their lives, as Michael,

with his three sons, has become a part of Julianne's family. Owen is still getting used to having a brother sleeping in his room and Lillian tolerates the whole situation as only an 11-year-old does...

We kept our eyes open for the blue grosbeak during our summer travels for Debra's life list. But, we HAD ;-) to make a special trip to Cedar Rapids over Labor Day to catch sight of one. That weekend away was a gift, also. If you are in the Cedar Rapids area the Kirkwood Hotel is a great place to stay and feel just a little pampered at regular hotel prices. It is part of the Community College hospitality program. So, you are supporting student learning, too. The restaurant on site serves lots of local foods, which is a passion of ours.

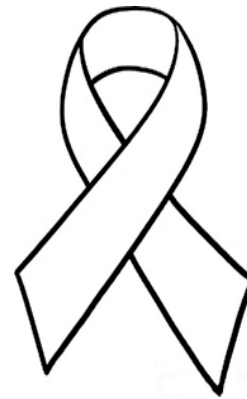

Which is one of the reasons we love where we live. Our gardens supply us with great produce, our neighbors can sell us local foods and we can buy our milk in glass bottles processed right here in Chatfield. It gives us a sense of doing our part for the good of the world.

It may be a small thing. But each small thing can add up to big things. It is great to see the thanks from the local farmers when you give them your dollars. You know that their children are going to reap the results of your need to eat. And we think that in this time in history, making sure children are taken care of is so very important. Which is why we put our time into the food shelf, community art projects, outdoor education programs for elementary students and the church. We can't solve world peace, but we can bring peace right here in our local community. And maybe that will be enough.

Peace and Hope, Debra and Steve

Denise Pagel writes: I am humbled by the spirit of giving within this church; specifically, in regard to raising funds towards cancer research. Each of us has a story about why we give and participate in such events. Some share their story while others prefer to be silent. Just know that our involvement helps give hope to so many as well as continuing to honor loved ones we have lost. Won't you join us in the effort?

Last Year, in 2018, we raised \$4,080 during the Cancer Telethon and \$825 for the Relay for Life from CUMC!

PRAYING OUR WAY FORWARD

UMCprays.org • A UMC Prayer Community

The Council of Bishops is encouraging intentional engagement by United Methodists worldwide by asking everyone to pause and pray each day for the special-called General Conference from 2:23 through 2:26 a.m. or p.m. If this time is not convenient for you, choose to pray at another time, but the council felt praying specifically at 2:23-2:26 p.m. which represent the dates of the special session of General Conference would be a helpful, effective, and unifying discipline for all United Methodists.

Minute #1 Prayer of Adoration

Good and great God, we recognize and celebrate that you are loving, kind, and faithful. You are everywhere in this world and beyond. You are also as close as our next breath. With John Wesley we rejoice knowing, "Best of all, you are with us."

Silence, concluding with unison prayer: "Hear our prayer, O God."

Minute #2 Prayer of Thanks

God of grace, we thank you that you hear us when we pray and are ever ready and able to act in ways beyond anything we could ask or imagine. Thank you for our brothers and sisters around the world, and especially for those who have offered to serve by attending the special-called General Conference. Thank you for ordering our steps and for preparing a way.

Silence, concluding with unison prayer: "Hear our prayer, O God."

Minute #3: Prayer of Confession

Forgiving God, we confess that we have allowed fear and distrust to place distance between us and our brothers and sisters in the Body of Christ. Forgive us for making idols of our own thoughts, voices, and opinions. Thank you for forgiving us and for your perfect love that casts out all fear.

Silence, concluding with unison prayer: "Hear our prayer, O God."

Minute #4 Prayer of Asking

God of peace and wisdom, from this time forward, may we walk with you in trust and peace, and with our brothers and sisters in the love and unity you desire. May we truly sing together in harmony a song of praise that draws all to you. Even now, may you bless those who will attend the special-called General Conference, assuring them of your love, filling them with you wisdom, preparing them with your peace. May they and we become more sensitive to the voice of your Holy Spirit, so that all we do will please you and bring you glory.

Silence, concluding with unison prayer: "Hear our prayer, O God."

All of these prayers we offer in the name of the Risen Christ. Amen.
